Spy Center

Every now and then I take out my birth certificate and take a good look at the name that my father and mother gave me when I was born. In the work I am doing I have to use so many different names that at times I almost forget my own name. You meet a big gorgeous female with blue eyes and blond hair. The kind that makes your heart skip a beat or two. You tell her your name is Tom Jones. There you are on the sands of Miami Beach. Under a big shady umbrella. You want to ask her out for a date that night. Then what happens? Somebody comes along and spots you.

"Bill Heller! Just imagine seeing you here. How are things?"

You can't tell that beautiful female you aren't a faker. Nor can you ever let her know you are the trouble shooter in Army Counter-Espionage. That's the price you sometimes pay. So that female doesn't say a word. Just gets up and leaves you flat. But cheer up. Who knows what tomorrow will bring?

And sure enough on the morrow there was a very charming girl. This one had big brown eyes and black hair. I made a date and we started for a certain night club. Got there and she checked that precious mink she was wearing. We sat at a reserved table and the head waiter came over to me.

"I have a message for you, Mr. Jones. I was told to tell you that two fish hired a boat to look for sardines. Also I would get five dollars for this message. Is it a gag?"

beautiful date.

"See that man in the white dinner jacket? He is a very good friend of mine. Dont ask questions. He will finish out the date."

Five minutes later I was in a special car heading towards the airport. And within the hour I was flying home with Colonel Davis at my side. He was telling me about my next assignment.

"The Cold War is getting hotter. All we know is that the enemy is calling together the top agents in this country for special instructions. They will meet next week at a famous hotel. You have to crack this one."

Within limits every country knows how the other country works with a spy system. What you don't know is: who are the spies? Off-hand it might seem simple to say that if you caught one spy and could make him-or-her talk you could crack the entire ring. But there is one trouble with this. The enemy is also aware of this possibility. So spies often operate totally independent of each other. It is possible for Mr. X and Mr. J to meet and never know they are both spies for the same country. Suppose we did get Mr. X. He might only know Miss L and Mr. K. So we would get two more and no more.

But somebody has to know all of them and this is usualy the top secret agent sent to this country. If you caught this agent you might learn nothing and then again you might learn everything. Just depends on how you play your cards. I had to work fast and two days later I was at The Hotel. I have deliberately skipped the name of this well known resort. It wasn't their fault that the agents picked this as a meeting place.

I landed there early in the morning. This is one of those dream places where you can certainly spend a lot of money. The Social Director greeted me. She was a very charming middle aged woman by the name of Mrs. Anna Dorley.

"In two minutes tell me your life's history," she smiled. "And if you are single and honest I shall introduce you to some very pleasant female company."

"I am single," I replied. "I am a free lance writer. Just now I have a special assignment from High Society to do an article about the people you meet at this kind of hotel. They are paying all my expenses."

I gave her the "letter" which had been specially prepared and she glanced at it.

"Thelma Arley the young rising star of TV and the movies is here," she said. "She certainly would like to meet you."

Which explains how I came to be seated at the edge of a pool with this delightful actress.

"I once was on our school paper," she confided to me. "But after the teacher threw my first three articles into the waste basket, I concluded writing had no future for me."

I spent some time with her and then met other people. Each was informed by the Social Director that I was a writer. The next morning I went to the tennis courts to look for a partner. A young man came over to me. He quickly looked around. He was one of my men who were up at the hotel ready for emergency action should it be required.

"That Social Director called up the magazine and checked on you. They certainly take no chances with fakers here."

"If we had that kind of check on every person here, then we would have no trouble landing our fish," I replied. "Let's play two sets of tennis. Maybe I will feel better."

I guess my game wasn't up to par because my partner's score was 6-3 and 6-1. I then left him and took a shower. They had a big golf course at this hotel. And also a bridle path. Thelma Arley apparently enjoyed my company. We both rode to the end of the trail and dismounted.

"There's a man here who said he was a motion picture director. But he doesn't know anything at all. Maybe he's a gambler. His name is Walter Short," she told me. "I like people who are what they tell you they are. You are a writer and an honest man."

We rode back and on our way I saw a man dismounted. He was trying to fix one of his stirrups. So I dismounted and when I bent down I quickly spoke to him.

"Just a hunch. Check on a guest called Walter Short."

I then continued riding and Thelma Arley made a pointed observation

"That man was having trouble with his horse They shouldn't let people like him ride alone

I made a date to take her dancing that night Actually all I had with her was just one dance All the young men started to cut in on me. And the older men asked for her autograph I took a short walk along the lawn and sat down on a bench. A young man was trying to read a book

"You were right about this Walter Short We bugged his room He had a visitor and berated him. Said the orders were that they should never come into contact with each other. This Walter Short is no movie producer."

We at least had our first break and it was due to a remark passed by Thelma Arley. I looked for and found Mrs. Anna Dorley.

"Miss Arley told me you have a motion picture producer here by the name of Walter Short. Please introduce me. This would be very good for my article."

She cade several weak excuses and finally told me that Mr. Short wanted no publicity. So I pinned her down.

"Just tell me the name of the company for which he works. I will call them up and get an o.k. for an interview."

She was definitely startled by that suggestion. As though it were something she had never anticipated.

"I will speak to Mr. Short myself. You certainly are a determined young man."

It was an hour later than one of my men gave me the report. And believe me I was bewildered.

"Jeff was on the earphones. This Mrs. Dorley went up to Mr. Short's room and told him to check out before you started to ask any questions. Also that Boris and Ivan — whoever they are'— would go with him to the Big City."

"She must be our big fish," I said. "As Social Director here she can meet everyone. Now for the big gamble. We have to have an admission from her. Get ready for anything. I will find her."

At two thirty that morning I found Mrs. Dorley. I came right to the point. Looked around to be certain we were alone.

"You bungling fool! You checked on me but not on that motion picture actress. She is a government agent. I am Strofoff. Get out of here at once with all our agents. Otherwise they will close in by tomorrow They shall hear of how inept you were!"

She had to think quickly and I had caught her off guard. She lowered her head.

"Your orders will be followed We have too much at stake to let those Americans catch us."

She went into action and by three in the morning a lot of men and women were leaving the hotel We had contacted the sheriff's office and he and his men were ready They were picked up only after they left the hotel Inside my coat pocket was a small tape-recorder with what Mrs. Dorley had said She was finished and we had made a terrific haul

It was a month later that I watched Thelma Arley as she finished making her last scene for a TV picture

"You?" she said.

"In person," I grinned. "Want you to check proof on the article about how wonderful you are. And then we go out to dine."

THE END

1 TO 1

SNAKING ALONG THE HIGH GROUND, LT. L.B. EDWARDS AND CPL. YAGOVANE TRIED TO KEEP LOW...THEY WERE WEARING WHITE PARKAS LIKE THE REST OF THE 1ST PLATOON ON FROSTBITE MOUNTAIN...BUT THEY KNEW HOW GOOD THE CCF SNIPPERS WERE AT PICKING A WHITE-JACKETED MARINE OUT OF THE SNOW-GLARE AND FLURRIES!

I JUST SPOTTED A COMMIE DOWNSLOPE TO OUR LEFT, YAG! SEE IF...OOOFF!

BLAM

LT. EDWARDS? SKIPPER?

BLAM

AWWW, NO!

YAGOVANE WAS PINNED...HE'D BE DEAD TOO IF HE STAYED THERE LETTING THAT SNIPER KEEP TAKING POT-SHOTS/ BUT HE HAD TO KNOW...
MAYBE...MAYBE HE AIN'T DEAD/
SPANG
HEY, COMMIE/ YOU FLAT-NOSED, HALF-BLIND IGNORAMUS...YOU CAN'T HIT ME/
SPOTTED HIM NOW/
BLAM
BEFORE THE COMMIE COULD TRIGGER ANOTHER SHOT, YAGOVANE WAS UP AND A GRENADE WAS ON THE WAY/
HERE'S A KISS FOR YA, SWEETHEART/
WHAM
WHAM!

POW
POW
HEY, COMMIE, WHO'S CALLIN' THE TUNE NOW?
YAGOVANE CHUCKLED, LAID DOWN ANOTHER BULLET BARRAGE AROUND THE COMMIE, SAW HIM GET HIT AND HUDDLE DEEPER... AND THEN TURNED TOWARD THE LIEUTENANT TO GET HIM OFF THE RIDGE!
SKIPPER? YOU'RE STILL ALIVE! YOU'RE GONNA BE ALL RIGHT! CAN YOU HEAR ME, SIR?
DON'T GET... DON'T WORRY 'BOUT ME, SERGEANT!
I'LL HAVE YOU OUT OF HERE IN NO TIME AT ALL, LIEUTENANT!
AWW, NO!

BOYS! MEN! I'LL HELP YOU MASTER YUBIWAZA

– says N.J.FLEMING – YUBIWAZA MASTER

(YUBIWAZA IS THE SECRET, AMAZINGLY EASY ART OF SELF-DEFENSE THAT TURNS JUST ONE FINGER OR YOUR HANDS INTO A POTENT WEAPON OF DEFENSE—WITHOUT ANY BODILY CONTACT...)

In just 2 hours after you receive "YUBIWAZA" you will be on your way to being an invincible Yubiwaza Master, at home, this Fast, EASY picture way or it costs you nothing.

WHAT YUBIWAZA CAN DO FOR YOU IN JUST A FEW SECONDS . . .

11:05 P.M.—You return from dance. Hoodlums throw insulting remarks to your date.

11:06 P.M.—They attack you with fists and bottles. You counterattack with YUBIWAZA . . .

11:06 P.M. PLUS 7 SECONDS — You are untouched — while every hoodlum is on the run

The VITAL Decision is YOURS to make! Which shall it be? ☐ To play it "chicken" by running away? ☐ Be a "bothead" and be beaten up? ☐ Mail coupon now and be prepared with Yubiwaza to send your attackers flying!

"I WEIGH ONLY 98 LBS. — YET I CAN PARALYZE A 200 POUND ATTACKER WITH JUST A FINGER —BECAUSE I KNOW YUBIWAZA!"

. . . says Yoshie Imanami — Pretty Japanese wife of N.J. Fleming — Yubiwaza Master

I'M A 2nd-DEGREE HOLDER OF THE BLACK BELT—SYMBOL OF HIGH PROFICIENCY IN THE JAPANESE SYSTEM OF SELF-DEFENSE THAT USES NO WEAPONS BUT BARE HANDS. I spent many years in Japan learning these little-known SECRETS. The most amazingly effective of all Self-Defense techniques that stood out in ALL my Japanese Training is contained in my AMAZING new Yubiwaza book - all yours to have if you ACT NOW. YUBIWAZA is the name of a fantastic system of Self-Defense that makes use of an EASY-to-Learn knowledge of vital body areas, and the techniques of the use of just ONE Finger or the entire hand to counteract & overcome ANY violent attack. It is commonly known that with the aid of Yubiwaza, young men - and girls, too!- with only a few hours of training, turn back 2, 3 and even 4 attackers - temporarily DISABLING ONE, putting another to flight, making a third howl with pain, while the fourth begged his opponent to stop!

NOW YOU TOO CAN LEARN YUBIWAZA!

The experts in Japan, who know and teach these ONE-finger techniques, have now explained that YUBIWAZA is a centuries-old system of Self-Defense which is so simple and so effective that outsiders were never instructed in its use. The system was restricted to Japanese who SWORE to apply these methods only in time of danger and attack by an aggressor. Many of the very techniques in my Yubiwaza book, once highly guarded secrets of the ancient Samurai warriors, never shown to outsiders are now shown to you - FIRST time!

EASY --And I am now ready to show you, too, through clear, easy-to-understand photos, every secret. I guarantee to make you a YUBIWAZA specialist in hours—or every cent you paid will be refunded. You don't have to attend any school where I train beginners like you and turn them into experts. Here I can show you how to practice YUBIWAZA in the privacy of your own home with only a few minutes of practice a day. I'll show you how to defend yourself against roughnecks, bullies, "wise guys" and juvenile delinquents who respect neither lives nor property.

When you apply YUBIWAZA methods, you put an aggressor down with JUST ONE FINGER! You are master of opponent striking you with his fists, a broken bottle, an ice-pick or any kind of blackjack. You can be aggressor's attack into your advantage with only one finger or your bare hands. No matter how "fast" the action gets, YUBIWAZA keeps you "on top." You use only simple pressure of your finger against any one of a dozen or more vital nerve centers of your opponent and watch his guard or knife fall from his limp hand while he himself sinks to the ground completely helpless and faint. If the opponent is really powerful you use the same vital nerve centers to paralyze him temporarily while you make him say "uncle" quickly—with the help of YUBIWAZA!

MASTER EVERY SITUATION!

Make no mistake. The world is crowded with semi-mental maniacs who think nothing of starting a knife into the ribs . . . or attacking and possessing citizens just for the fun of it . . . or molesting boys and girls disconsolately. There is a crying need for a system of self-defense that relies on KNOWLEDGE, not big muscles or strength . . . that depends on TECHNIQUE — not on weight or size of body . . . that is based on simple TRAINING—not on illegal possession of weapons.

When you learn YUBIWAZA you can disarm and disable your opponent in seconds. You can repel a mugger who grabs you from behind—no matter how big he is or how much he weighs, instantly you know WHERE to attack, and how. You learn the body's major vulnerable regions, the defenses or unguarded position to take, and your body's greatest weapons which you can apply to maximum advantage. I have jam-packed all I know about YUBIWAZA into my Guide, which I have profusely illustrated and clearly explained. I take you step by step through the fundamentals of this amazing system so that you can understand clearly and immediately. You learn these tricks used by marines, police and G-men . . . how to face any body . . . how to touch vital spots that will make any opponent helpless. The master attack or self-defense you learn from me is easy, yet powerful enough to cope effectively with any opponent with lightning speed!

BECOME A NEW MAN!

Knowledge of YUBIWAZA will turn you into a NEW MAN even if you never actually have to use it! You will become SELF-ASSURED knowing your ability to handle your self. You will walk with a determined and confident air toward the knowledge that NOTHING can frighten you . . . and you can deal with ANY man, ANY weapon, ANY situation—and that you can do all this with NO bodily contact—and you will win respect and admiration from everyone.

Thousands of men of all ages have won confidence and respect by learning YUBIWAZA. YOU can do the same! You owe it to your own peace of mind . . . to be able to defend yourself in these days when attack may come at any time and place from hoodlums, fiends and delinquents. So mail Coupon NOW for my COMPLETE instruction on YUBIWAZA. If you and your friends don't say that YUBIWAZA has made a NEW MAN out of you, every cent will be refunded!
